Our speaker Gordon Evans Wood is a retired chemical and rocket engineer and lawyer, and now an amateur local historian. Note the middle name, Evans. His great grandmother was a Hall, and his grandmother was a Daisey – all local names in the Baltimore Hundred dating back to as early as 1702 when his eighth great grandfather, Walter Evans, bought part of today's South Bethany and paid for it with tobacco. He has written three books about his ancestors and the Baltimore Hundred history.

Fall Harvest Salad - Fried chicken, mixed greens, bacon, apple, candied pecans, goat cheese and a maple-mustard vinaigrette dressing.

Beverages include ice tea, lemonade, coffee, and water. Dessert will consist of plates of cookies and brownies.

Legislative/Environmental - Chuck Schonder

As your Legislative Committee embarks on a new year and new challenges, I want to thank you for your support last year which enabled us to have our most successful year yet at the state legislature. Our Share the Care Act passed both the House and Senate with unanimous votes.

We are in consultation with state AARP leaders who have given us six projects to consider for our participation this year. We have agreed to the following one so far. Our new Vice Chair of our committee Mary Louise Embrey will join state Associate Director Sheila Grant as point person to

monitor the implementation of the Share the Care Act. This will involve the training of aides, complaints and medication errors. The legislation gives the Department of Health and Social Services one year to implement these regulations.

National AARP- Prescription Drug Pricing Reduction Act

Delaware's AARP Executive Director did an OP ED article in the 9/2/19 News Journal on the need for congress to end Americans' suffering due to soaring drug prices. In the article she mentions that in Delaware from 2012 to 2017 average brand name drugs increased 58% while incomes increased 9%. Nationally the price of Insulin increased between 2002 and 2013 by 300%. Medicare part D enrollees take an average of 4-5 prescriptions daily and their average income is \$26,000 per year. 29 states have passed legislation to reduce drug prices.
